

30-DAY RITUAL GUIDE

The *Wealth Switch*

A short daily audio practice to release money anxiety and
build a calmer, more confident relationship with money.

Welcome

Welcome to your 30-Day Abundance Ritual.

This isn't about hoping for a miracle. It's about spending 7-9 minutes a day quieting the mental noise around money, so you can think, decide, and act more clearly.

Three tracks. One simple daily rhythm. Thirty days to build a habit that outlasts the program itself.

A quick honest note: this guide and these audios are a relaxation and mindset practice. They are not financial, medical, or psychological advice, and they do not guarantee any financial outcome. What they're built to do is help you feel calmer and less reactive around money, consistently, if you use them consistently.

How To Use This Program

The daily rhythm (pick what fits your day)

TIME	TRACK	LENGTH
Morning	Morning Money Mindset	5 min
Anytime (main practice)	Abundance Frequency (Day 1-30, rotating themes)	2-3 min
Night	Sleep Reset for Abundance	2 min

You don't need all three every day. If you only have a few minutes, the daily main track is enough. Morning and Sleep are optional layers for when you want more.

Where to listen: somewhere you won't be interrupted. Headphones recommended, but not required.
